PRO II VAN CARGO RACK

For nearly 40 years ... almost a half a century ... Kargo Master has been known for producing superior quality ladder and cargo racks for commercial trucks. Today, Kargo Master developers have relied upon and turned to its experience and success to manufacture some of the most innovative and affordable racks available.

Kargo Master offers van racks for most vehicles from the leading automotive companies available in dozens of popular trade configurations. Whether you have, or are considering purchasing, one of the sporty and efficient new compact cargo vans, or a high roof van that carries everything including the kitchen sink, we have a rack to meet your needs.

Before you even consider another rack brand, we encourage you to look at our racks and compare the features, and costs, for yourself. Kargo Master is all about ease of use, reliability, and efficiency, from the installation to your daily tasks.

DON'T LOSE YOUR LOAD ... BUCKLE IT UP WITH OUR RATCHET STRAPS

HD ALUMINUM SINGLE CLAMP & LOCK LADDER RACK #4A873 – The HD Aluminum Single Clamp & Lock HD Aluminum Ladder Rack for compact vans makes ladder storage easy, fast and secure. Fits Ford Transit Connect, Nissan NV200, Chevy City Express, Ram ProMaster City

v1.2 092717

HD ALUMINUM EZ DROP DOWN LADDER RACKS #4A92L – Our HD Aluminum EZ Drop Down Ladder Rack is a lightweight version of our popular EZ Drop Down Ladder Rack. Fits all compact cargo vans. Separate mount kits are required. Coming soon.

ez drop down ladder racks

LEFT IMAGE: LADDER RACK ON A MID-ROOF VAN IS IN THE DOWN POSITION. NOTE IT IS EASY TO REACH THE DETACHABLE HANDLE WHICH CAN BE STORED INSIDE THE VAN.

BOTTOM IMAGE: ON LOWER ROOF VANS, WHEN THE LADDER IS UP THE HANDLE IS EASILY REACHABLE AND NEATLY TUCKS AWAY WHEN IN THE LOCKED POSITION.

COMBO RACKS WITH BOTH EZ DROP DOWN AND CLAMP & LOCK UNITS ARE AVAILABLE FOR LOW ROOF AND COMPACT CARGO VANS.

Choose from several ladder rack combinations depending on the height of your van. **EZ Drop Down Ladder Racks** are a drop down rack which work on all roof heights and make it super easy to mount, raise (or lower) and secure your ladders.

- Rugged crossbows are low over van roof to reduce overall vehicle height and to facilitate loading and unloading.
- Easy to reach lockable clamp arm firmly secures ladder to rack on low roof racks.
- Easy to reach removeable handle firmly secures ladder to rack on higher roof racks.
- Curb side mechanism included. Purchase driver side drop down or clamp & lock mechanism (sold separately ... see application guide).
- Ladder grips are adjustable to secure extension and step ladders 8' or larger (#40816 required for 8' ladders on #40993).
- Ladder racks are available for all current cargo vans. No drilling or cutting is required.
- Zinc epoxy primed for superior rust resistance. Chip resistant white powder coat.
- Quick and easy to assemble and install with mounting kit included with rack.
- 40993 provides a deeper drop and extended ladder beds for easier reach.

The **Kargo Master Clamp & Lock Ladder Rack** for commercial vans is uniquely designed to easily lock and secure ladders in place. The lockable clamp arm can be easily reached and locked to provide extra security. Ladder grips are adjustable to secure extension and step ladders of all 8' or longer sizes. 6' step ladder requires #40816. The ladder rack with rugged crossbow design is low over the van roof to reduce overall vehicle height and to facilitate loading and unloading. The Clamp & Lock Ladder Rack is installed on cargo vans with wide mounting feet which clamp securely to factory mounting holes to provide maximum support and stability, and they allow for easy, no-drill installation.

COMBO RACKS WITH BOTH EZ LO-DOWN AND CLAMP & LOCK UNITS ARE AVAILABLE FOR LOW ROOF AND COMPACT VANS.

- Rugged crossbows hover just inches above the roof to reduce overall vehicle height and to facilitate loading and unloading.
- Easy to reach lockable clamp arm firmly secures ladder to rack.
- Wide mount feet clamp securely to the van roof in factory mounting hole. Feet are coated at bottom.
- Ladder hooks are adjustable to secure extension and step ladders of all sizes 8' or longer.
- Three sizes are offered to fit mini cargo vans and low roof full-sized vans.
- Zinc epoxy primed for superior rust resistance.
- Chip-resistant white powder coat.
- Quick and easy to assemble and install. No drilling or cutting required.
- Driver side load retainers included.

crossbar cargo & ladder van racks

#80070 FOR COMPACT CARGO VANS

#80080 FOR FULL-SIZED VANS

VAN & LADDER TYPES	PART #
COMPACT CARGO VANS (Ford Transit Connect, Chevy City Express, Nissan NV200, Ram ProMaster City)	
4 Crossbar Cargo & Ladder Van Rack - Includes Wind Deflector	80070

VAN & LADDER TYPES	PART #
FULL-SIZED VANS (Ford Transit, Nissan NV and Ram ProMaster. Also fits the Mercedes Metris and Sprinter - Requires mount kit 4090M)	
5 Crossbar Cargo & Ladder Van Rack - Includes Wind Deflector	80080

If you have a short van, but you may need to carry long ladders, or long materials, this top mount rack is the solution that is made just for you.

- Rugged 1-5/8" dia. x .083 high tensil strength tubing.
- 500 lb. cargo capacity.
- Zinc epoxy undercoat.
- High gloss metallic silver marine grade powder coat finish.
- Swagged tube joints.
- Yellow zinc plated hardware.
- Easy to install ... no drilling required.
- Nylon self-locking nuts.
- 1,000 hour ASTM salt spray resistance.
- Convenient rear loading.

Mid Roof Transit, Ram ProMaster and Sprinter are too high for traditional side loading Clamp & Lock or Crossbar Ladder Racks. The five bar #80080 loads from the rear. Simply lean your ladder on the protective rear crossbar that overhangs the roof. Lift the bottom of the ladder, push forward, and when you run out of arm, let er' go. The ladder front will set down on the fifth crossbar, which you will have located in the perfect spot to protect the roof of your van. Position and secure your ladder while standing on the van floor. We recommend attaching a grab strap to the bottom rung of your ladder to facilitate unloading. Durable, economical, and easy to use. Rack features 1-5/8" dia. steel tubing with metallic silver powder coat finish. 122" L x 57" W.

Cargo & Ladder Rack Accessories

EZ Lo-Down Extender (24") to Carry Long Heavy-Duty Extension Ladders

40817 2 Bars + Mount Kit

THE KARGO MASTER UTILITY ECONO VAN CARGO RACK IS AVAILABLE WITH 2 OR 3 CROSSBARS (See inside back cover for Retractable Ratchet Straps detail – #40850 – Shown on image to left – included With #40825)

The **Kargo Master** all-purpose **Utility Econo Van Rack** is designed to be stronger than other ordinary van racks in the market. The Utility Van Rack is constructed using heavy duty 1.75" square tubes, and it is available in 2 or 3 steel cross bars. Strong wide mounting feet clamps secure the rack to rain gutter to provide maximum support, stability and offer easy, no-drill installation for your van. Feet clamps are coated to protect rain gutter paint. Ladder stops are included in the van rack package and they provide great convenience when securing your loads. All **Kargo Master** Van Racks are coated with zinc primer and thick marine grade powder coat to provide excellent corrosion resistance.

- Available with 2 or 3 heavy-duty 1.75" square steel crossbars. Wide mount feet clamp securely to rain gutter. Feet coated at bottom to protect rain gutter paint.
- Each model fits full-sized Ford E-Series, GM, older pre-Sprinter Dodge, and all full-sized vans with rain gutters.
- No drilling or cutting required.
- Zinc epoxy primed for superior rust resistance. Chip resistant WHITE ONLY powder coat.
- Ladder stop included.
- Low profile uprights enable access to low clearance parking facilities.

40823	2 Crossbar Rack - Rain Gutter Mount
40824	Add a 3rd Middle Crossbar to #40823 - Rain Gutter Mount
40825	2 Crossbar Rack Kit - Rain Gutter Mount - with 2 Retractable Ratchet Straps (#40850)
40850	Retractable Ratchet Straps (Pair) - 2" x 7' - Mounts to Crossbar End Plate - Fits #40823 & #40824

CROSSBAR LADDER RACKS FOR CARGO VANS

These steel 2 OR 3 Crossbar Racks are the most economical way to carry ladders and long rigid materials. Uprights are low profile (8" H), specially designed to accept special ratchet straps that quickly and safely secure one ladder, or a stack of ladders. Crossbars are 1.5" square steel tubing, 53" L. Uprights bolt directly to factory roof mounts. Ladder stops included. Accessory rear roller assembly is available. Racks zinc primed for superior corrosion protection and powder coated white.

40821	2 Crossbar Rack - Compact and Low Roof Cargo Vans (See Application Guide on Page 31) Includes Wind Deflector
40822	Add a 3rd Middle Crossbar to #40821
40819	2 Crossbar Rack Kit - with 2 Retractable Ratchet Straps (#40830) - Includes Wind Deflector
40829	Rear Roller Bar (Recommended for Use with #40821 to Protect Roof) - Transit Only
40830	Retractable Ratchet Straps (Pair) - Mounts to Crossbar End Plate - 1" x 6' - Fits #40821 & #40822

heavy-duty pro II van cargo rack

Kargo Master Pro II Van Cargo Rack Features and Benefits

- Extends to full length of van (165" L x 55" W) for maximum cargo capacity.
- 4 heavy-duty 2" diameter crossbars to fully support long and short loads.
- Rear roller bar makes loading easy.
- Level cross bars support sheet goods, elevated standing platform, lumber, ladders, pipe, etc.
- Wide mount feet clamp securely to rain gutter.
- Feet coated at bottom to protect rain gutter paint.
- Each model fits full-sized Ford E-Series, GM Express, pre-Sprinter Dodge, and all full-sized vans with rain gutters.
- No drilling or cutting required.
- Zinc epoxy primed for superior rust resistance.
- Available in chip resistant black powder coat only.
- Quick and easy to assemble and install.
- Driver side load retainers are included.

THIS RACK WILL FIT ANY VAN WITH RAIN GUTTERS.

Includes Rear Roller Bar for Easy Loading

Rear roller bar makes it easier to load heavy ladders, bulky items, sheet goods and protects the top of the van.

Retractable Ratchet Straps

- These clamp-on ratchet straps enable you to quickly and safely secure cargo on top of a rack. #31490 comes with mounting hardware.
